\*\*When completing your dive physical, please verify with the physician that the physical they are performing includes all the necessary testing required for the ADCI dive physical that is provided. It is important to verify that you are not receiving a physical to clear you for recreational SCUBA, but one that includes all the necessary steps for a commercial diving physical.

If you have questions or concerns, please contact a NUPI representative for further assistance at (800) 432-3483.
